Corporate policies	9 709	9 691	9 822	1,7	-1,0	-1,7

Loans and deposits comprise all euro-denominated loans and deposits vis-à-vis the euro area as a whole, with countries other than Finland accounting for a very small share of total volumes.

Households also include non-profit institutions serving households (excluding new drawdowns, which exclude non-profit institutions serving households); non-financial corporations also include housing corporations.
